HighTech Stainless Steel Spray Guns

with stainless steel quick snap-closing connector

autoclavable – dismantled without tools

Sterilization of the cleaning gun sets: steam sterilization 134°C – Class B

To rinse or blow out contaminated medical devices to 0.5 Mpa (= 5 bar).

Note: The various cleaning guns sets always contain the same cleaning gun.
Only the hoses and the set composition will vary depending on application.

The installation of the cleaning guns must be carried out by a specialist company.

HighTech Stainless Steel Spray Gun

For De-ionized water / Drinking water (cold) to 5 bar, with stainless steel quick-release coupling

Set: Cleaning gun, Luer-lock-connector, Luer-connector, pointed nozzle, shower nozzle, De-ionized waterhose: silicone hose with stainless steel braiding (KTW A, W 270, W 543) stainless steel hose fittings, hose connection adapter 3/8" , hose outside 1/2" (outside thread) Stainless steel quick-lock coupling, coupling protection cup, piston spare spring.

64-20810-00 1 pcs Cleaning gun set, autoclavable "De-ionized water / Drinking water", Hose 100cm with quick-lock coupling

64-20810-01 1 pcs Cleaning gun set, autoclavable "De-ionized water / Drinking water", Hose 150cm with quick-lock coupling

64-20810-02 1 pcs Cleaning gun set, autoclavable "De-ionized water / Drinking water", Hose 200cm with quick-lock coupling

Note: The validated instructions for use can be found at

HighTech Stainless Steel Spray Gun

For Compressed air (oil-free, medically reprocessed) to 5 bar, with stainless steel quick-release coupling

Set: Cleaning gun, Luer-lock-connector, Luer-connector, pointed nozzle, shower nozzle, PVC-Tube with Quick-Coupling made of Stainless Steel and end open, Silicon oil, coupling protection cup, piston spare spring.

- 64-20820-00 1 pcs Cleaning gun set, autoclavable "Compressed air", Hose 100cm with quick-lock coupling
- 64-20820-01 1 pcs Cleaning gun set, autoclavable "Compressed air", Hose 150cm with quick-lock coupling
- 64-20820-02 1 pcs Cleaning gun set, autoclavable "Compressed air", Hose 200cm with quick-lock coupling
- 64-20820-03 1 pcs Cleaning gun set, autoclavable "Compressed air", Hose 250cm with quick-lock coupling
- 64-20820-04 1 pcs Cleaning gun set, autoclavable "Compressed air", Hose 300cm with quick-lock coupling
- 64-20820-05 1 pcs Cleaning gun set, autoclavable "Compressed air", Hose 350cm with quick-lock coupling
- 64-20820-06 1 pcs Cleaning gun set, autoclavable "Compressed air", Hose 400cm with quick-lock coupling
- 64-20820-07 1 pcs Cleaning gun set, autoclavable "Compressed air", Hose 450cm with quick-lock coupling
- 64-20820-08 1 pcs Cleaning gun set, autoclavable "Compressed air", Hose 500cm with quick-lock coupling
- 64-20820-09 1 pcs Cleaning gun set, autoclavable "Compressed air", Hose 550cm with quick-lock coupling
- 64-20820-11 1 pcs Cleaning gun set, autoclavable "Compressed air", Hose 600cm with quick-lock coupling
- 64-20820-12 1 pcs Cleaning gun set, autoclavable "Compressed air", Hose 650cm with quick-lock coupling

HighTech Stainless Steel Spray Gun

For Compressed air (oil-free, medically reprocessed) to 5 bar, with stainless steel quick-release coupling

Set: Cleaning gun, Luer-lock-connector, Luer-connector, pointed nozzle, shower nozzle, Polyamide spiral hose, blue, working length 250cm with kink protection with Quick-Coupling made of Stainless Steel and end open, Silicon oil, coupling protection cup, piston spare spring.
(There are no certificates or test reports for polyamide hoses)

- 64-20820-50 1 pcs Cleaning gun set, autoclavable "Compressed air", Spiral-Hose (blue) - Working Length 250cm with quick-lock coupling

Cleaning guns - Parts & Accessories

- 64-20820-10** 1 pcs Spray Gun-Compressed air, with handle DN7,2
(Gun alone) for use with Quick-Coupling
- 64-20810-10** 1 pcs Spray Gun-De-ionized water / Drinking water, with handle DN7,2
(Gun alone) for use with Quick-Coupling

Spare Parts for Spray Guns

- 64-20850-23** 1 pcs Piston with O-Rings

- 64-20850-26** 1 box CG Piston spring (1 box = 3 pieces)

- 64-20850-24** 1 CG Piston-O-Ring small (alone not available, in 64-20850-16)
- 64-20850-25** 1 CG Piston-O-Ring large (alone not available, in 64-20850-16)

- 64-20850-27** 1 pcs End Cap for CG Gun body

- 64-20850-28** 1 pcs End Cap for CG nozzle

64-20850-29 1 pcs CG Handle DN 7.2 with O-Ring

64-20850-17 1 pcs CG pointed nozzle, M8

64-20850-18 1 pcs CG Luer Lock Connector M8

64-20850-19 1 pcs CG Tube nozzle Size 6

64-20850-11 1 pcs CG Luer connector Stainless Steel M8

64-20850-14 1 pcs CG shower nozzle, stainless steel, M8, mit plastic nozzle sieve blue

64-20850-15 1 pcs CG shower nozzle sieve, blue, for stainless steel shower nozzle

64-20850-16 1 pcs Replacement set of O-Ring sealings for CG

64-20850-33 1 pcs Silicon oil

64-20850-20 1 pcs Wall holder for Stainless Steel Spray Gun

64-20850-10 1 pcs Table-top rosette, for top thickness from 0 to 45mm (standard)

64-20850-09 1 pcs Table-top rosette, for top thickness from 0 to 60mm (special)

64-20850-47 1 pcs Nozzle Holder - Table Version
64-20850-57 1 pcs Nozzle Holder - Wall Version

Hose parts

64-20850-34 1 pcs Stainless steel quick-lock coupling DN7,2
64-20850-35 1 pcs sealing washer H 3mm f. hose fitting

64-20850-36 1 pcs CG coupling protection cup

64-20850-12 1 pcs Hose fitting adapter, stainless steel, GA 3/8", GI 1/2"
64-20850-13 1 pcs Hose fitting adapter, stainless steel, GA 3/8", GI 3/4"

Compressed Air-Hose

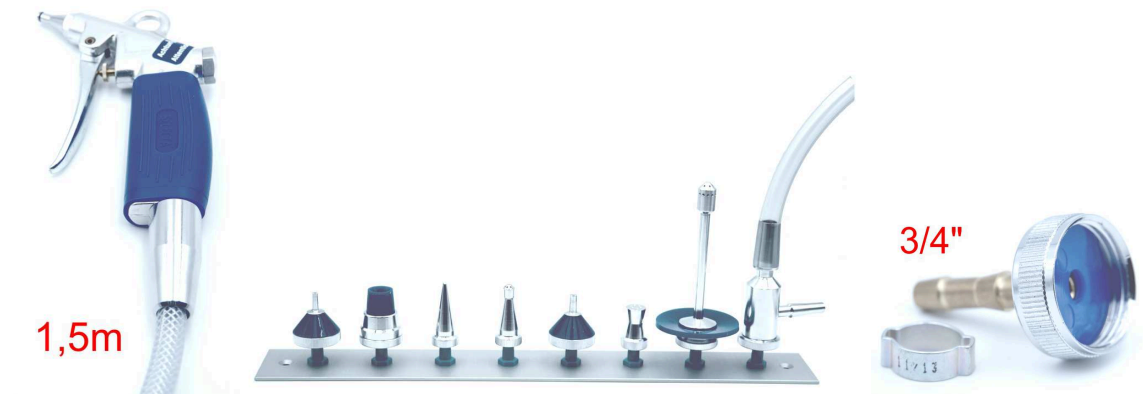

- 64-20825-20** 1 pcs PVC-Tube "Compressed air", length 100cm
with threaded gun hose coupling AG1/2" and a free tube end
- 64-20825-21** 1 pcs PVC-Tube "Compressed air", length 150cm
with threaded gun hose coupling AG1/2" and a free tube end
- 64-20825-22** 1 pcs PVC-Tube "Compressed air", length 200cm
with threaded gun hose coupling AG1/2" and a free tube end

De-ionized waterhose / Drinking waterhose

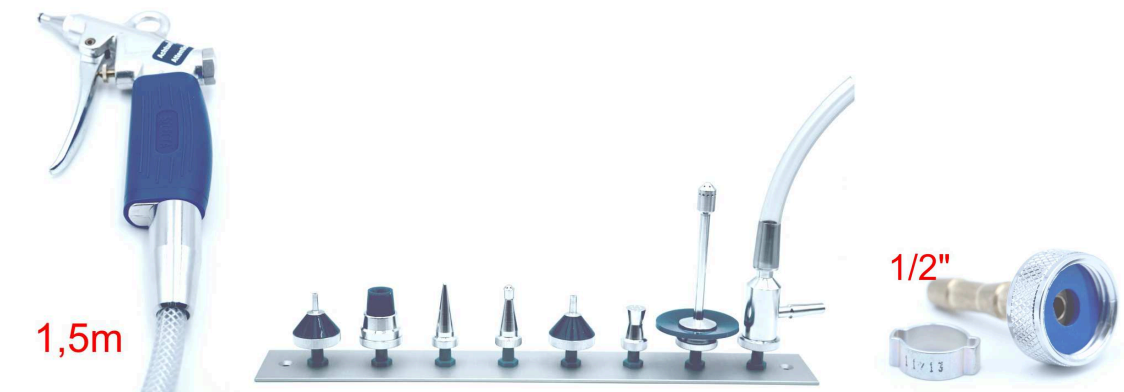

- 64-20815-20** 1 pcs De-ionized waterhose / Drinking waterhose, length 100cm,
AG1/2" and 3/8" connector for water supply
- 64-20815-21** 1 pcs De-ionized waterhose / Drinking waterhose, length 150cm,
AG1/2" and 3/8" connector for water supply
- 64-20815-22** 1 pcs De-ionized waterhose / Drinking waterhose, length 200cm,
AG1/2" and 3/8" connector for water supply

Selecta-Spray Guns (not suitable for De-ionized water)

64-20900-00 1 pcs RFQ-SELECTA Spray Gun Rinser **new model** complete with 1,5 m tube, guide cone, standard set and 3/4" screwing loosely

64-20900-01 1 pcs RFQ-SELECTA Spray Gun Rinser **new model** complete with 1,5 m tube, guide cone, standard set and 1/2" screwing loosely

64-20920-01 1 pcs RFQ-SELECTA Spray Gun Rinser **new model** with 1,6 m metal tube, guide cone, table-top rosette and 3/4" screwing assembled

64-20920-09 1 pcs RFQ-SELECTA Spray Gun Rinser **new model** with 1,6 m metal tube, guide cone, w/o table-top rosette and 3/4" screwing assembled

64-20920-02 1 pcs RFQ-SELECTA Pure Spray Gun Rinser *new model*

64-20920-05 1 pcs RFQ-SELECTA Spray Gun Rinser *new model* with 1,5 m tube and guide cone assembled (End open)

64-20920-06 1 pcs RFQ-SELECTA Spray Gun Rinser *new model* with 3,0 m tube and guide cone assembled (End open)

64-20620-03

1 pcs Tip D for syringes and cannulas with record cone

64-20620-04

1 pcs Tip E for measuring and blood pipettes

64-20620-05

1 pcs Tip A for catheters, valves etc.

64-20620-06

1 pcs Tip B for drainage tubings

64-20620-07

1 pcs Tip F for syringes and cannulas with Luer cone

64-20620-08

1 pcs Tip C spray jet for rapid instrument cleaning

64-20620-09

1 pcs Tip G for bottles and Erlenmeyer flasks

64-20620-10 1 pcs Tip H Selecta water jet pump for suction cleaning

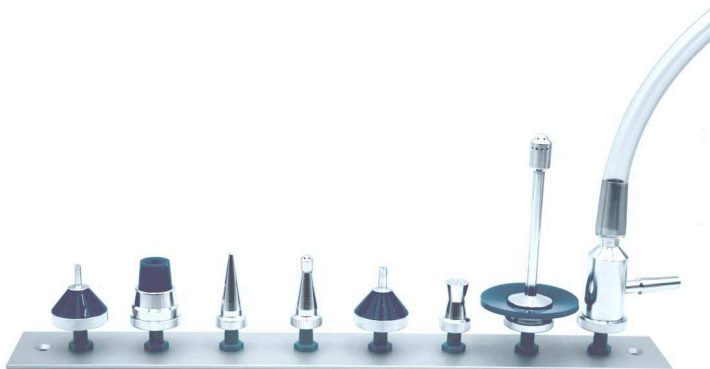

64-20621-00 1 pcs Table-top rosette 54 mm with guide cone

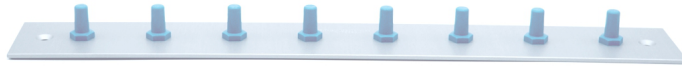

64-20621-01 1 pcs Table-top rosette 54 mm with nut without guide cone

64-20621-02 1 pcs Guide cone to screw

64-20620-20 1 pcs Standard set A-H with stable rack

64-20620-21 1 pcs Stable rack for 8 attachments complete with 2 screws

64-20630-09 1 pcs Screwing 3/4" complete

64-20630-10 1 pcs Screwing 1/2" complete

64-20630-25 1 pcs Angle Plug "AIR" DIN 13260

Spare parts for spray gun rinser

64-20630-01 1 pcs Spray gun rinser tip complete

64-20630-02 10 pcs O-ring 3x1 (1VE=10 pcs)

64-20630-03 1 pcs Spiral tension pin

64-20630-04 1 pcs Trigger

64-20630-06 1 pcs Connection between gun and tubing

64-20630-07 1 pcs Hose clip

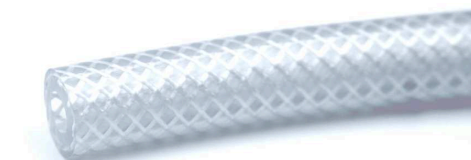

64-20630-08 1 pcs Replacement kit flow control

64-20630-12 1 pcs Clamp for PVC-tube

64-20630-13 1 pcs Clamp for metal-tube

64-20630-14 1 pcs PVC-tube (cut good)

64-20630-15 1 pcs Grip for spray gun rinser

64-20630-16 1 pcs Sealing 3/4"

64-20630-17 1 pcs Sealing 1/2"

64-20630-18 1 pcs Sealing disc

64-20630-19 1 pcs Tubetull

64-20630-20 1 pcs Reduction ring 1/2" and perlator

64-20630-21 1 pcs Reducing ring 1/2" and 3/8"

64-20630-22 1 pcs Hook

Shark-Washing Guns (not suitable for De-ionized water)

64-20200-15	1 St. Shark Washing Gun with 1,5m PVC-tube and 1/2" screwing loosely
64-20200-25	1 St. Shark Washing Gun with 1,5m PVC-tube and 3/4" screwing loosely
64-20200-35	1 St. Shark Washing Gun with 3,0m PVC-tube and 1/2" screwing loosely
64-20200-45	1 St. Shark Washing Gun with 3,0m PVC-tube and 3/4" screwing loosely
64-20200-55	1 St. Shark Washing Gun with 1,5m stainless-steel-tube and 1/2" screwing loosely
64-20200-65	1 St. Shark Washing Gun with 1,5m stainless-steel-tube and 3/4" screwing loosely
64-20200-75	1 St. Shark Washing Gun with 3,0m stainless-steel-tube and 1/2" screwing loosely
64-20200-85	1 St. Shark Washing Gun with 3,0m stainless-steel-tube and 3/4" screwing loosely

Shark- Washing Sprinkler (not suitable for De-ionized water)

64-20100-10	Shark Washing Sprinkler with 1,5m PVC-tube and 1/2" screwing loosely
64-20100-20	Shark Washing Sprinkler with 1,5m PVC-tube and 3/4" screwing loosely
64-20100-30	Shark Washing Sprinkler with 3,0m PVC-tube and 1/2" screwing loosely
64-20100-40	Shark Washing Sprinkler with 3,0m PVC-tube and 3/4" screwing loosely
64-20100-50	Shark Washing Sprinkler with 1,5m stainless-steel-tube and 1/2" screwing loosely
64-20100-60	Shark Washing Sprinkler with 1,5m stainless-steel-tube and 3/4" screwing loosely
64-20100-60	Shark Washing Sprinkler with 3,0m stainless-steel-tube and 1/2" screwing loosely
64-20100-60	Shark Washing Sprinkler with 3,0m stainless-steel-tube and 3/4" screwing loosely
